

video project by  
jean-baptiste chandelier  
and jim nougarolles

# flying dance project

paragliding and capoeira  
choreography

B

## videos details

video highlight : 3'

part of the global video  
project "share" : 25'

sport team :  
2 paragliding pilots  
2 capoeira dancers

idea: choreography with two  
dancers and two pilots to  
make an extreme precise  
show and a link between  
sport

## key words

dream  
lightness  
aestheticism  
innovation  
art

## **paragliding**

### **flying style :**

the wagga style looks like a paragliding dance so we want to make a real choreography.

### **technical :**

this kind of flying ask to be really precise with a perfect synchro movements. there is one guy who have skills to make it with me, it's jim nougarolles.

this kind of choregraphy nobody did it before, it will be an innovation.

## **dance**

### **style :**

**we want to make this project with capoeira dancers to use the acrobatic movement of this dance.**

### **link with fly :**

**the capoeira is an aerial dance and when we watch some movements in slow motion, it looks really similar to some paragliding tricks at normal speed.**

**we are in contact with some club in brazil with great level. it will be easy to find two nice athletes.**

## places

**moulay bouselham - maroco :**  
**the dune is nice with great sunset**  
**close to a typical maroco village**

**to make a perfect choregraphy**  
**we need a dune front of the sea**  
**and maroco is really cheap trip.**

## **pilot partner**

**name : jim nougarolles**  
**age : 24**

**jim is one of the most talented pilot i know, beside competition he stays one of the most polyvalente pilot ( acro, wagga, cross country ) with really high level.**

**his speciality is the wagga style, maybe the best pilot in the world.**

**but jim have an amazing flying instinct with an unique and amazing style.**

**\* jim was with me in chamonix for the synchro fly in the video *touch***

## capoeira partner

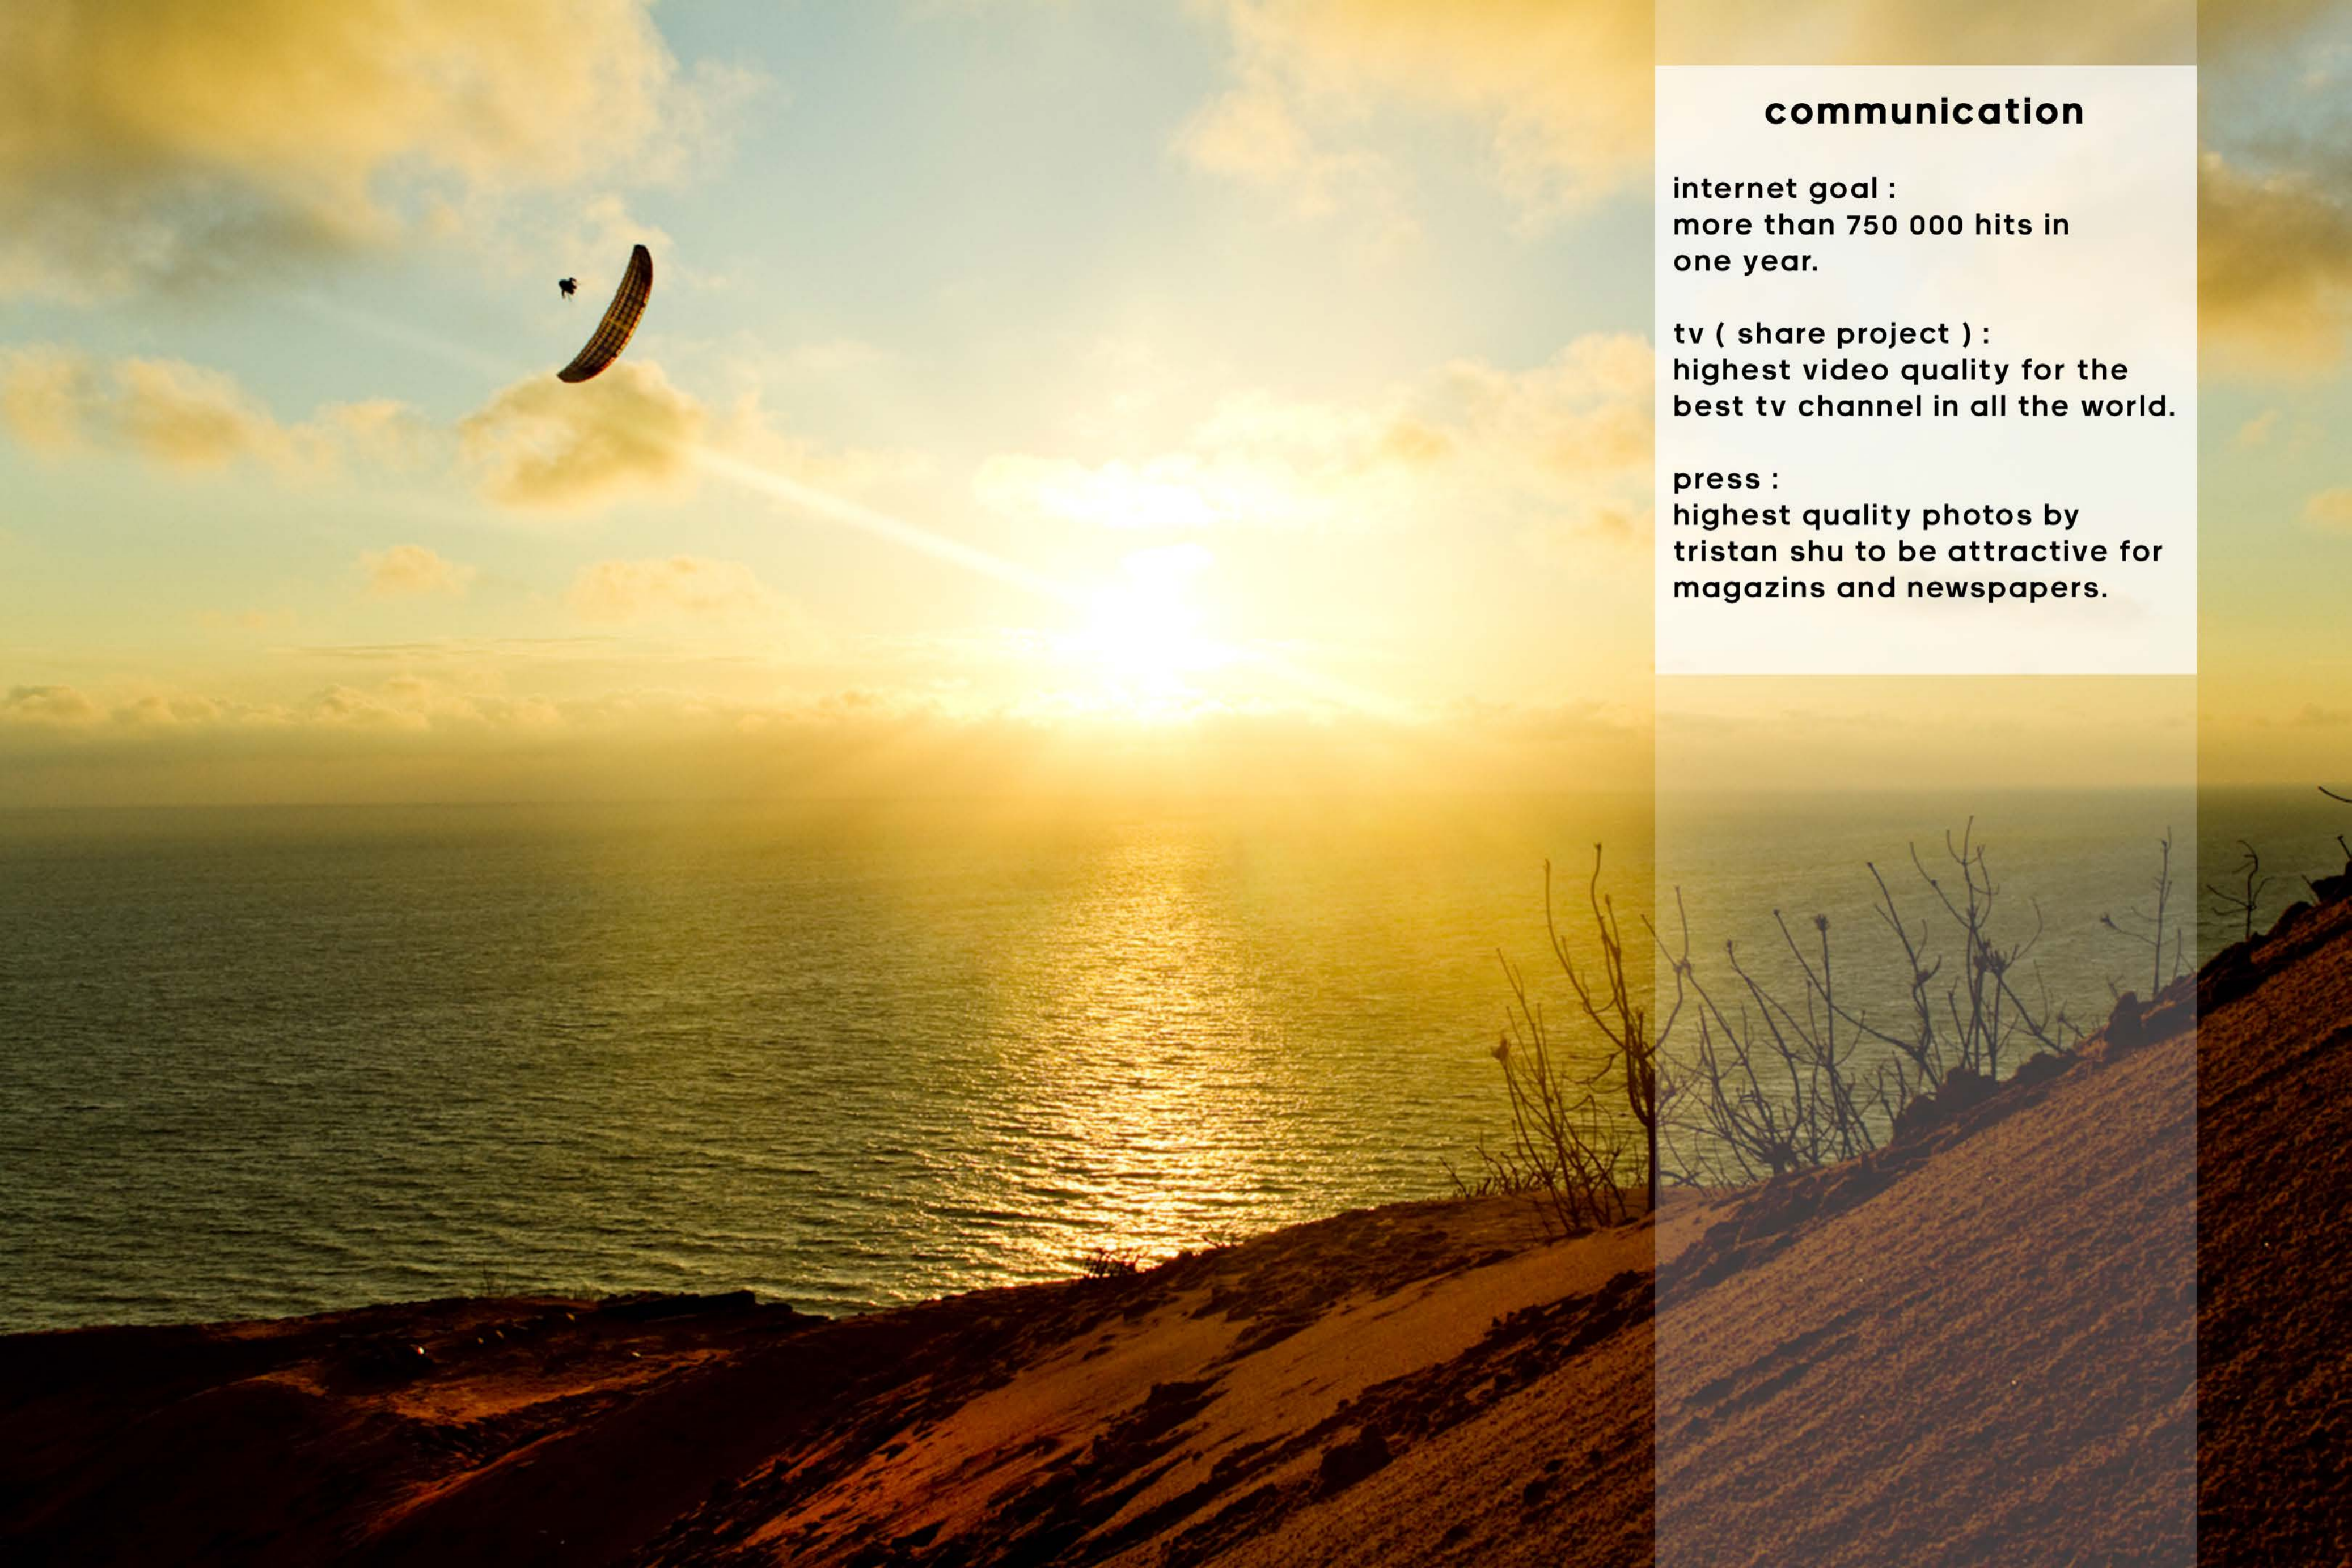

name : alban & audrey wurm

they are mutiple french champion and they are in the top european level.

alban have already work with adidas like model.

## **communication**

**internet goal :**  
**more than 750 000 hits in**  
**one year.**

**tv ( share project ) :**  
**highest video quality for the**  
**best tv channel in all the world.**

**press :**  
**highest quality photos by**  
**tristan shu to be attractive for**  
**magazines and newspapers.**

## the team 2014

i work with this team for their quality shoots, paragliding competence, aerial shoot and because they are nice friends :

- **jean-baptiste merendet** :  
professional cameraman, tandem  
paragliding pilot

- **tristan shu** :  
professional photographer,  
cameraman and paragliding pilot

- **jim nougarolles** :  
acro pilot, professional tandem pilot,  
photographer and cameraman

- **me** :  
professional pilot and professional  
editor
